1. After further consideration and review of Appellant's comments/arguments as indicated on page 14 – 17, of his brief (08/26/09), Examiner is hereby placing claims 1 – 29 in condition for allowance.

The following is an Examiner's statement of reasons for allowance.

The prior art of record does not teach or fairly suggest at least:

"...executing the screen driver upon initiation of the log-in experience, said executing the screen driver further comprising: displaying the information screen; and maintaining visibility of the information screen over subsequently generated display screens until occurrence of a predetermined event; and completing the log-in experience...", in such a manner as recited in claims 1, 20 and 25, and as best illustrated by FIG. 2c.

Therefore, all remaining claims 1 – 28 are in condition for allowance.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays,

should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
